

Jaguar Jr. Pee Wee Newsletter

July 29, 2010

Wow!! What a great first week of practice. We couldn't of asked for better weather. The team did great. Coach Joe is excited for next week to start. Please make sure players come in full practice gear. Practice pants, jersey, and pads. If you missed days last week, be prepared to run again first.

If you have not signed up to help, I will have the list out on Monday. Please see Jamie to sign up.

Thank you for everyone picking up their trash. PV lets us use their field so we must keep it clean.

Also, equipment bags can be ordered on Monday. If you would like one see Jamie so she can put in the order. I will only put in one big order. They are \$35.00 and come with players name on them.

The Jamboree tickets were handed out. When you sell them you keep the money, you already paid for them. Just turn in ticket stubs by August 21.

Also some players still owe me paperwork, pizza card money, and other things. On Monday I will be catching up. I need all necessary items by Friday. If all the paperwork is not complete then your player can not be certified to play.

On another note PV has asked us to remind you to not park on blacktop by school, most of us don't anyways, no pets are allowed, and no smoking.

If you have any questions please feel free to ask. Remember if you are going to miss practice, please call Joe or Jamie ahead of time. I will be making a phone list shortly.

Thanks and Go Jaguars!!!!

Jamie
