### COACHES CORNER

WHAT A FIRST GAME! The team played great for their first time under game situations together. We are working hard this week on the mental aspect of football. This week is always a big distraction with the cross town team coming to our field. Please encourage sportsmanship and good attitudes this week as some of the boys have classmates and possible friends that play for the Scorchers. It will be another hard football game. The Scorchers are fast and have been well coached over the years. If we focus and try our best I think good things can happen.

Go Jags!!!
