### COACHES CORNER

Congratulations to the Northern Conference Champs. The game didn't go quite as we hoped, but was an exciting finish with the Bohannon block on the PAT for Shasta.

It's playoff time and it's win or go home. We earned the #1 seed so we'll face the Sutter Huskies, the 4th seed, in the first round. We played Sutter in week 1 and we certainly don't want to take them for granted.

We play earlier than normal, so make sure to be there on time and ready to go. If we win (when we win) we would play the winner of the River Valley/Shasta game, hopefully at home if our Midgets win.

On a serious note, we are having some issues at practice, actually away from practice, before, on breaks and after. We have some kids "picking" on their teammates. This is not acceptable behavior and really bad timing for playoffs. I have spoken with several kids about specific events and the whole group on the subject. The coaches don't want this to escalate and result in players sitting out quarters, halves, or even games at this point in the season. Please have a reminder conversation at home.

Go Jags...Beat Sutter !

### PICTURE COLLAGE

We only have a few games left. I will need a ton of pictures to put together the end of season collage. If you have a flash drive or CD or DVD of pictures you have taken over the course of the season, please get them to me (Suzy) as soon as possible. If you post them on Facebook or via

another means where you can share them, please let me know. You don't have to wait until the end to get the pictures to me, in fact, I prefer to work on it as we progress through the season – makes for much less work in the end.
