COACHES CORNER

Congratulations Mighty Mites on a great start to the season! You guys have come so far from the first day of practice. I'm very proud of all the progress we are making and am amazed at how many plays you guys are learning to run. Let's keep up the good work and get ready for our very first away game of the year. We're playing Marysville Chiefs. Let's take it to them on their home field. We have offense first so let's get some touchdowns! Coach Josh

Great Season so far Jags. Keep up the great work. Always give 100% and we will come out on top. I still want to remind you to practice and play as a TEAM. As you have seen so far, as long as we keep this up, it is hard and almost impossible to stop us. Keep up the great hitting. Our Defense instills fear in the opponent! Our offense does a great job blocking and making touchdowns. Be ready to play this Saturday so we can get another win in the column. GREAT JOB!
