COACHES CORNER

Coach Daniel would like to say a special shout out to all the first year players. Kinser, Nick, Damian, Gabe, Elijah, Elias, Garret, Chris, Rayce, and Aiden keep up the great work. You are making our team work harder every week. As you guys get better so does the team as a whole. GREAT JOB!

WOW! What a storm that was on Wednesday. Im glad everyone made it home and back to practice in one piece. It has been a long season so far and i am very pleased with the way everyone is improving. Keep it up every day at practice and the games. Keep focusing and trying your best. Remember to work hard and push yourself every day. Most of all, have FUN on Saturday!
