COACHES CORNER

Coach Josh: What an amazing season! I can't believe it's coming to an end so fast! It was great to be able to coach the mighty mite team this year. We had a lot of success but let's not forget we still have one more game! I'm going to miss hanging out with all you kids at practice, and yelling at you to get in line or to pay attention. I hope you guys had a fun season that you will always remember. Let's keep things rolling into Shasta and kick some butt! I love all you mighty mite football players.

Coach Daniel: It has been a long season! Wow, what a season it has been. All of you have improved so much from the first week of practice. Every game you guys stepped up and came ready to play. Well, we have one more left. Let's go out there just like we do every game. Go out there, work hard, give 100%, and have fun. FOCUS!! PLAY AS A TEAM! HIT HARD! EXECUTE YOUR PLAYS!! WIN!! I would also like to thank you Mighty Mites for giving me the privilege of coaching you this year. It has been a great football season.
