#### COACHES CORNER

It's hard to believe the season is winding down. The boys have all progressed immensely. It amazes me how much everyone has improved since the beginning of the season. The rookies are starting to look like veterans and veterans are beginning to look like Jr. Pee Wees. This week is our final home game of a fantastic season. I know that if our boys stay focused they will give us all a great game. Let's give our boys the homecoming excitement they have earned.

Shan

What a season it has been Mighty Mites. We have had some easy games and also some really tough ones. We are almost to the end of the season. Remember to keep working hard. Remember your jobs on offense and defense. Work as a team and you will stay undefeated. Most of all remember to have fun out there.

Coach Daniel
