**Competition:** Girls must be at every practice and the game in Redding next Saturday in order to participate in competition. Parents are encouraged to wear black for competition, preferably Jaguar gear. Pic on a stick will be handed out at competition. Cheerleaders must arrive by 7:00am in full uniform, including their under armor and warm ups.

Quinci had a talk with the girls this week. She informed them that they may not receive a ribbon at competition but that as long as everyone does their best we will be proud of them. And they should be proud of themselves for all their hard work.

**Playoffs:** There is a good chance we will be going to playoffs, which means we will continue playing until we lose. Game locations will be announced each week.

**Pink Day:** Tuesday the girls can all come in PINK!
