COACHES CORNER

Well, back on track. It feels good to get a win, but we still need to work on the little things to make our team better. The penalties as of late have been making it more difficult to move the ball down the field. We will focus this week on speed. Getting to the line faster and firing off the ball with more passion. The next game is very important to playoff seeding so we will go after it with confidence and enthusiasm. There is only a few weeks left. Try to keep the boys in good spirits as we push to the end.

Go Jags!!!
