COACHES CORNER

Well a hard fought battle, just as I suspected. The team hung in there and fought to the finish. We were able to find a couple of diamonds in the rough and those boys will get more and more playing time. Our next game is at home versus Paradise. If you have noticed the Jaguars bring out the best in every team we face. We will have a hard week of practice as we push for the playoffs. Please be positive and preach teamwork - that is the only way we will succeed.

Go Jags!!!
