COACHES CORNER

A very hot day on the turf and we are feeling the effects of it still this week. Unfortunately, we lost Kelly Jackson to a broken arm, and we're not sure at this point when he'll return. We have a few other guys banged up this week too, so we'll look for guys to step up.

Again, it's very important to hydrate on game day, just like practice.

This week everything counts and special teams will be in play, and for those who don't know, kicking an extra point at our level is worth 2 points. Sutter typically has very strong teams and always plays the Jaguars tough.

Since it's our home opener, invite family and friends out to cheer on your favorite Jag.

We have team pictures before our game on Saturday, so remind them to keep their uniform clean until after pictures.

Let's go Jags...Beat Sutter!!!

TEAM STATISTICIAN NEEDED:

I am looking for someone (or a couple of people who would be willing to share the job throughout the season) who is willing to jot down a few game stats for our team. Coach Skip will use these to write up the weekly newspaper article. Please let me know as soon as possible if you are interested.
